ACADEMIC POLICIES

Classroom & Digital Device Guidelines

General expectations that protect learning time and encourage responsible use of digital devices.

DRAFT FOR SCHOOL REVIEW. This interim guidance has not yet been adopted as an official school policy and may change after review.

Readiness for learning

- Arrive prepared with the materials required for each lesson.
- Follow the teacher’s instructions and allow others to learn without disruption.
- Complete assigned learning activities honestly and responsibly.
- Leave classrooms clean and switch off equipment when instructed.

Mobile and electronic devices

- Use mobile phones and electronic devices only at times and in places authorised by the school.
- Keep devices switched off or stored securely during lessons unless a teacher permits their use.
- Do not photograph, film or record another person without permission.
- The school may restrict a device that disrupts learning or is used inappropriately.

Learning devices

- Use school-approved learning devices for educational work.
- Follow teacher instructions about when and how a device may be used.
- Protect accounts, passwords and personal information.
- Do not use learning time for games, entertainment or unrelated online activity.
